DISCIPLINARY ACTION

It is understood that as a part of MMG, each player is representing a world-class program that leads the way in all aspects of player development including courtesy, etiquette and all-round behavior. Disciplinary action is at the discretion of the MMG coaches and may range from anything from a task to suspension. In the case of a suspension or any disciplinary action, there will be no reimbursement of program fees. If it is determined that an MMG student has used, or is in possession of drugs or alcohol, has caused a disturbance at Orange County National, or in any way has diminished the experience of another student, they will be dealt with heavily and permanent suspension from the program will be considered.
